Magnet 360 included in Gartner's Market Guide for Salesforce Service Providers

Minneapolis, February 23, 2017: Magnet 360, a Mindtree company today announced it was included in Gartner's Market Guide for Salesforce Service Providers. Gartner identified Mindtree's Magnet 360 division as a representative provider for Customer Analytics, Sales Cloud, Service Cloud, Marketing Cloud and App Cloud.

The report recommends that clients should "Favor service providers that have tools, templates and accelerators that can be leveraged to reduce time and cost to deploy, increase predictability and meet or exceed TCO requirements."

"By providing highly-certified Salesforce professionals with expertise across Salesforce clouds, Magnet 360 has established itself as a strategic partner for Salesforce globally. To increase and support these efforts, Magnet 360 will leverage its recently opened Salesforce Center of Excellence in Munich, Germany, to align to the expansion of Salesforce in continental Europe," said Matt Meents, Magnet 360 CEO, "Magnet 360 is committed to providing customers with Salesforce consulting from innovation to implementation and support".

"Throughout their history, Magnet 360 has been one of our strongest and most committed partners. Now as a part of Mindtree, they have the scale to really grow and continue to be a strategic and important partner," said Don Lynch, SVP Global Alliances from Salesforce.

The report referenced in this release is Gartner, Market Guide for Salesforce Service Providers, 17 November 2016
