Mindtree to Provide SAP Support Services to Atotech

Bangalore (India) and London (UK) – September 16, 2019 - Mindtree, a global technology services and digital transformation company, today announced that it has signed an agreement with Atotech, a global leader in surface-finishing solutions for functional, decorative, and electronic applications to help manage their SAP landscape. As part of this new agreement, Mindtree will provide the Application Managed Services for the globally deployed SAP ERP and business warehouse systems of the Atotech Group.

Martin Wiedenmann, Head of Global IT/CIO, Atotech said: *“We are pleased to have selected Mindtree to help us improve our SAP support and change request processes and bring more agility to our operations. Mindtree understands our business needs, and we look forward to a constructive relationship with them.”*

“Mindtree follows best SAP practices to achieve cost optimisation and better productivity, fuelled by innovative solutions, domain expertise and strong project management capabilities,” said **Guita Blake, Senior Vice President and Head, Global Sales and Europe Geo, Mindtree**. *“We are pleased with our efforts in further strengthening our presence in DACH region and excited with the opportunity to help Atotech meet their goals through our SAP support. Mindtree will adopt an agile approach and offer flexibility to Atotech to ensure success.”*
