

# IT Supplier Day 2019

# Laudatio for Mindtree

## **Mindtree: Award for Outstanding IT Service Supplier in 2018**

Our relationship with Mindtree started 2 years back with the establishment of the Cross Domain COE as well as with the start of the PELE implementation for Lufthansa Passage. Last year Mindtree was selected as a preferred partner for Application Management Services as well as to support LH Group's journey to cloud.

Over the last two years we build a strong relationship with Mindtree with a great level of collaboration and mutual respect. Only recently, Mindtree started to successfully serve further Business Units, for instance: LCAG for Middleware Services and LSG in their Sales Support Application / ELPASO. More than 100 Mindtree employees are working for us today out of India as well as onsite in Europe. Currently, we are exploring further opportunities in the digitalization space of IoT and in AI.

We would like to award Mindtree for their great performance in 2018. Mindtree has been rated very high across the LH Group in their functional capabilities as well as their strategic alignment with the LH Group.

Thank you for being a reliable partner in the last year and for your engagement throughout the Lufthansa Group!
