Mindtree Reports Strong Q4 and Full Year Performance in FY22
Sequential revenue growth of 5.2% in constant currency; Full year revenue up 31.1%; Decade-high full year EBITDA and PAT margins; Announces highest-ever full year dividend

Bangalore (India) and Warren (NJ), April 18, 2022: Mindtree, a global technology services and digital transformation company, announced its consolidated results today for the fourth quarter ended March 31, 2022, as approved by its Board of directors.

“Our industry-leading growth through a year of rapid business and technology shifts demonstrates the relevance of our value proposition in reimagining businesses and driving digital transformation at scale,” said Debashis Chatterjee, Chief Executive Officer and Managing Director, Mindtree. “Our sequential revenue growth of 5.2% in constant currency made this our fifth consecutive quarter of 5%-plus growth in constant currency. Our full year revenue growth of 31.1% validates our strategy to capitalize on rising demand by diversifying our services portfolio, mining customers, and broadening industry partnerships. We are proud to have delivered EBITDA margin of 20.9% and PAT margin of 15.7%, our highest in a decade. Our commitment to creating value for shareholders is reaffirmed by an EPS of ₹100.2, our highest-ever adjusted for bonuses, and a full year dividend of ₹37 per share, the highest in our history. The passion of our teams and the trust of our customers will help our endeavor to deliver profitable industry-leading growth in the coming year as well.”
