Clients

avis budget group

"Mindtree is very innovative company. They bring a lot of skills to the table."

Paul Kremer - Program Director for E-Commerce, Avis

"Overall that's been one of the greatest qualities of Mindtree that I appreciate: the ability to take on a project and do it as if they are the co-owner."

Mark Myers - Senior Director, Microsoft

"My experience in working with Mindtree has been great. They were a true partner to us and helped us solve all issues. They were very focused to go the extra mile not just think about the contract but think about results and issues."

Jeroen van der Heijden - CTO, Raet

Mindtree [NSE: MINDTREE] delivers technology services and accelerates growth for Global 1000 companies by solving complex business challenges with breakthrough technical innovations. Mindtree specializes in e-commerce, mobility, cloud enablement, digital Transformation, business intelligence, data analytics, testing, infrastructure, EAI and ERP solutions. We are among the fastest growing technology firms globally with more than 200 clients and offices in 14 countries.
